This is a notice to those who have paid money to Southerland Auto Transport or any of the websites listed above to have their vehicles transported: Owner Billy D. Southerland has been indicted on 12 felony counts of Mail Fraud and Wire Fraud in connection with his operation of a vehicle transportation business. The indictment alleges that Southerland committed fraud by accepting money to provide for the transportation of vehicles from point to point, and in many cases failed to arrange for such transportation as promised, and refused to provide refunds to those whose vehicles were not transported. The charges are only allegations and the defendant is presumed innocent until and unless proven guilty beyond a reasonable doubt.

Any consumers who contracted with Southerland to have their vehicles transported, **AND HAVE HAD THEIR VEHICLES PICKED UP BY A TRANSPORTER, OR HAVE BEEN NOTIFIED THAT A TRANSPORTER HAS BEEN ASSIGNED**, should contact the transporter to verify such pick up and delivery date.

Any consumers who contracted with Southerland **WHO HAVE NOT HAD THEIR VEHICLES PICKED UP, AND HAVE NOT BEEN NOTIFIED THAT A TRANSPORTER HAS BEEN ASSIGNED**, should be aware there may not be any further action by Southerland, and may want to consider making new arrangements to have their vehicles moved by a different transporter.

The United States Attorney's Office for the Eastern District of California does not have the ability to obtain refunds at this time for consumers who may be owed money by Southerland. Although it is unknown at this time if refunds or restitution

will be available in the future, consumers who have paid money and have not had their vehicles moved may submit their information to the Department of Transportation, Office of Inspector General. Consumers may submit the following information by mail or fax to:
